The Calendar for
 Law Enforcement Training
 ...for 25 years!

Media Kit 2025

info@policetraining.net

About

policetraining.net is #1 on Google for “police training”;
policetraining.net provides the most hits and the most traffic from law enforcement personnel searching for *police and law enforcement training*

It's the Address

For more than 25 years **policetraining.net** has been the site for law enforcement training.

Organic Search is the most sought-after quality in internet search. Nothing else beats the right address. Not on-page SEO. Not content optimization. Not link building. It's the address. Google “police training”, see the results. Dozen's other “law enforcement training sites redirect to **policetraining.net** too.

It's the Interface

The *calendar for law enforcement training* classes. Easy to understand, easy to use. **Law enforcement training providers** post classes that can be searched by **law enforcement personnel** looking for training. **policetraining.net**. The interface isn't complicated, it's easy.

It's the Numbers

More than **100,000** classes and webinars have been posted to **policetraining.net**.

Each month, more than **90,000+** law enforcement professionals visit to find classes and training. Nearly **2,000** training providers have trusted **policetraining.net** with their classes. More than **50,000** emails are sent to **agency personnel in charge of law enforcement training**, officers, management and administrators from federal, state and local levels.

policetraining.net is the ideal way to market your classes, webinars and online training; reach your target audience of police professionals and get registrations.

It's the Results

The most successful law enforcement training companies indicate that **25% of their Outside Web Traffic** comes from **policetraining.net**.

This traffic cannot be duplicated; anywhere.
